Birch Equipment Rental & Sales

What Birch Equipment Does Best

- Short term and long term equipment and tool rentals and leases.
- Consumables supplies: Primarily maintenance and construction-related including safety glasses, gloves, harnesses, and basic hardware.
- Any capital purchase needs for equipment and tools. Birch Equipment is a dealer for forklifts, aerial, and hand tools and sells everything in the rental fleet.
- Scheduled and emergency equipment maintenance.
- Operator Training for aerial and material handling.
- 24-hour emergency support: Birch Equipment has provided power and access equipment for large facilities like manufacturers, industrial sites and hospitals.
- Birch Equipment Portal: Tool for clients needing 24/7 access to project planning and equipment management.
