**Sitka** 210 Jarvis St. 907-747-5315

## January 2008 Fleet Updates

*More Than Just A Rental Store*

### Customer Focus...

#### Rawls Tree Service LLC

Located in Bellingham, Rawls Tree Service is a full line residential and commercial tree company. Providing service to Whatcom and Skagit Counties since 1999, Ben Rawls, owner and operator, has over 15 years of licensed tree removal experience. With a crew of 10, services include, but are not limited to: danger tree removal, timber falling, and stump grinding.

Often responding to emergency calls, sometimes in the middle of the night, their response is immediate. Last winter a 150ft Douglas Fir was uprooted over a residential home during a rain and wind storm. He got a call at about 1:30am and immediately got out there with his crew. Ben said, "We had to send a couple guys up the tree in the pitch dark during the storm, but we got it down and safely away from the home before it caused any damage to anything or anyone. It's good to know that during these late night calls I can call Birch if I need assistance. There are a lot of options in the equipment industry, but I use Birch because, they have fast service, they're always reliable, and they have in-house equipment repairs".

### Construction Gear for Everyone

Perfect for equipment lovers of every age! We've recently added to our large variety of equipment and construction toy collection. Get them practicing early with ride-on backhoes, excavators, water trailers and more... just imagine how useful these will be "playing" in your yard.

\*Check out the full line at our Bellingham store @ 1619 Kentucky St.

### Incoming Fleet...

#### 20 HP Walk Behind Concrete Saw

- Offers wet or dry cutting of asphalt
- Maximum cutting depths are determined by the blade diameter
  - 12" blade - 3 1/2" depth
  - 14" blade - 4 1/2" depth
  - 18" blade - 6 1/2" depth
  - 20" blade - 7 1/2" depth
  - 24" blade - 9 1/2" depth
  - 26" blade - 10 1/2" depth

#### Blade Wear Determination:

- Cutting Depth
- Cutting Speed

More used equipment for sale go to: [www.birchequipment.com](http://www.birchequipment.com)

## Birch...People Strong!

### Nicholas Goodman-Yard Rep.-Bham

- A firefighter for Whatcom County
- Likes to longboard,ski & wake skate
- Studying Neuroscience in hopes to get his PhD
- Likes working at Birch because "I get to learn about the 1000's of pieces of equipment we have".

### Kyle Buff-Yard rep.-Mt.Vernon

- Likes dirt biking, fishing, hunting, etc
- Not sure what he wants to be, but has graduated & likes working with equipment.
- Thinks working at Birch is "awesome", the people are "awesome".

## 24/7 Service at its best....

Olof Anderson, Industrial Sales Manager, & John King, Minor Equipment Manager, were able to keep production going for one of our industrial customers when an unexpected event required after hours service. With the help of local company, Granite Pre-cast, our guys were able to get the customer taken care of & back at it. Good work guys!

Call any store, any time ... we're available 24 hours!

## Did you make a New Years resolution?

We think that these recommended portion sizes must be a joke...

Check out these comparisons!

- 1/4 of your plate whole grains - size of a cd
- 1/4 or less of your plate lean meat or protein-size of a deck of cards
- 1/2 of your plate should be fruits and veggies - size of baseball or computer mouse

Our answer is everything in moderation, & when you want to splurge, go for it! Just follow it up with a weekend of tackling the 'Honey-Do' list. Birch has everything you need to get the job done!

## Skagit Women Build needs your help...

In preparation for the first Women Build home in Spring 2008, volunteers are needed in a variety of areas.

- |                           |                           |
|---------------------------|---------------------------|
| • Equipment operators     | • Fund Raising            |
| • Drywall finishers       | • Site Coordinator        |
| • Plumbers                | • Event Planners          |
| • Roofers                 | • Publicity               |
| • Carpenters              | • Coordinating volunteers |
| • Electricians & Plumbers | • Donations               |

Women Build will sponsor onsite training, teaching the skills needed to construct decent, affordable housing.

If you are interested in helping out, please contact Marsha Belmont, volunteer coordinator at [habitat1@fidalgo.net](mailto:habitat1@fidalgo.net)
