## November 2009 Fleet Update

More Than Just A Rental Store

Community Focus ... Two Great Ways to Help

**Birch stores serve as Toys for Tots Drop Off Points for the 12th consecutive year...** in support of the Marine Corps Toys for Tots Program, Birch is collecting new, unwrapped toys and cash donations for children of families in need in our communities. Want to donate a toy but are short on time? Check out Birch's toy line ranging from sea monkeys to Ugli dolls to ride-on tractors, and more, for kids of all ages! Toys or monetary donations will be collected until December 18th.

**Interested in helping with the toy distribution?** Let us know and we'll get you scheduled. Contact [marketing@birchequipment.com](mailto:marketing@birchequipment.com) or call 360-734-5744 ext 107 for more information.

Over the past 5 years a Birch team consisting of employees, friends, customers and family members have raised close to \$8,000 for the Jingle Bell Run/Walk. The 4 mile run or 2 mile walk are a great

way to start your morning --- get in some exercise, spend time with friends and family, and raise money and awareness in support of the Arthritis Foundation.

Barbara Osen, Branch Director of the Pacific NW Chapter, and good friend of ours, has been with the local chapter since 1988 --- she's an amazing woman with a heart of gold. She says, "Do it for the kids. There are more kids with juvenile arthritis than any other chronic disease. Everyone knows someone that is afflicted with this disease." Click here to [join or sponsor the Birch team](http://joinorsponsorthebirchteam.bellinghamjbr.kintera.org), [bellinghamjbr.kintera.org](http://bellinghamjbr.kintera.org) (for the Bellingham event on 12/12/09), or [skagitjbr.kintera.org](http://skagitjbr.kintera.org) (for the Mt Vernon event on 12/05/09).

# 2010...

## Birch calendars are here...

Did you make our 2010 calendar? Distribution of the Birch 2010 calendars began earlier this month. If you haven't received one, or would like additional copies, drop by any Birch location. We have a few different styles to choose from:

- dry erase • year-at-a glance • contractors' monthly tear-off • dashboard stick on.

### Upcoming Equipment Safety Training...

Weekly training classes, covering everything from demo saws to pressure washers to tile saws to dingos and more, are open to the public FREE of charge.

From the weekly equipment training to monthly Train-the-Trainer classes, Birch has you & your crew covered. Train-the-Trainer classes are instructed by certified Birch staff and factory reps and combine classroom instruction with extensive hands on equipment training. Participants will be certified to provide the necessary training to qualify employees as Genie scissorlift & boomlift operators, and Gehl reach forklift operators.

The following 30 - 45 minute training classes start at 10am in Whatcom County and 1pm in Skagit County:

- December 5th - Scissor Lifts
- December 12th - Air Compressors - diesel powered
- December 16th @ 9am -
  - Gehl Train the Trainer - Skagit County
  - GenieTrain the Trainer - Whatcom County

Classes are scheduled out for the year ... check out the training calendar on the Birch website at: [birchequipment.com](http://birchequipment.com)
