Upcoming Equipment Training...

September 15th @ 9 am -

- Genie Train the Trainer - Whatcom County
- Gehl Train the Trainer - Skagit County

From the weekly equipment training to monthly Train-the-Trainer classes, Birch has you & your crew covered. Train-the-Trainer classes are instructed by certified Birch staff and factory reps and combine classroom instruction with extensive hands on equipment training. Participants will be certified to provide the necessary training to qualify employees as Genie scissorlift & boomlift operators, and Gehl reach forklift operators.

Weekly training classes cover everything from demo saws to pressure washers to tile saws to dingos and more are open to the public FREE of charge.

Classes are scheduled out for the year ... check out the training calendar on the Birch website at: www.birchequipment.com
